

Where Charity and Love Are,
God is There!

March 2019

Dear Parents of 4K Students:

This school year has been filled with many interruptions in our school schedule, especially for our 4K students. The School District of Monroe has added minutes as well as Mondays starting April 15 (please see memo from Parent Letter on February 20) to meet the loss of many of those minutes. But due to the fact that St. Victor School will be closed Monday, April 22, Tuesday, April 23, and Wednesday, April 24 for all of our staff and teachers to attend the National Catholic Education Associations Annual Convention in Chicago we will need to find time to make up those three missed days.

The plan right now is to offer your child three Mondays in May (6, 13, and 20) as FULL DAYS of education. This opportunity would include all 4K students (AM/PM). School will begin at 8:10 and dismissal at the end of the day would be 3:15 pm. By offering these dates we are guaranteed to meet all the required hours for the State of Wisconsin. Lunch would be provided for your 4K student (at no cost to you) or they can bring their lunch from home. In a way, we could consider these "transitional" days moving your child from ½ 4K to a couple of full days as they prepare for Kindergarten.

Mrs. Sabatke and Mrs. Wilson will have fun and special activities included for all our students, and the interaction between the AM and PM classes will be a benefit as well. These full days of 4K (Mondays May 6, 13, 20) are completely optional for your family, as 4K is not a required attendance grade (we just have to make sure we offer the appropriate hours). I know that this is not the most ideal situation but hopefully it can be a beneficial time for all of our students. I will be working with Lamers Bus Garage to make sure appropriate transportation is offered.

There is a form attached to this letter asking you to declare your intention for those Mondays. As always, if you have any questions, please do not hesitate to call school, 325-3395, or email me, joepeters@stvictormonroe.org.

God Bless,
Joe Peters
Principal
St. Victor School

Full Day 4K Permission Slip

Monday: May 6, 13, 20 ONLY

Child's Name: _____

Parent Signature: _____

_____ Yes, we would love to have our child participate in the full day for 4K(May 6, 13, 20)

_____ we will be picking our child up at 3:15 pm on those Mondays

_____ we will need the bus garage to provide transportation home for our child
