

Monroe Women's Club

Christmas Stocking Fundraiser

Socks & Underwear Needed!

Once again this year we are asking families to donate new socks and underwear (your children's sizes) for the Monroe Women's Club Christmas Stocking. This is a local fundraiser and will go to children in need in our own community. We will be collecting these items starting October 1st thru November 15th. There will be a box outside the school office and in the back of church where these items may be dropped off at. This is a great cause so let's get into to the Christmas Spirit early this year and give the gift of new socks and underwear. Thanks for supporting this wonderful organization and cause.
