

September 5, 2018

Dear St. Victor Families:

As we begin another school year here at St. Victory I wanted to remind everyone about our SCRIP program. Selling SCRIP throughout the year is our second biggest fundraiser for our Home and School Organization. During the last school year our SCRIP program brought in over \$16,000 in revenue, thousands of which were used by families to help with tuition for this school year.

In order to earn a tuition rebate a family must spend \$1,000 on SCRIP over the year. If they do, 50% of the rebate earned can be applied to tuition for the next school year.

SCRIP, or gift cards, can be purchased for almost anything. Gasoline, movie tickets, groceries, dining, travel, Disney, Spotify, iTunes...Amazon and more! Attached you'll find a flier with our organization code. You can sign up on [Shopwithscrip.com](http://Shopwithscrip.com) to see every retailer available. Additionally to being able to order physical gift cards and electronic gift cards, you'll be able to take advantage of online only specials. The next one day online sale is coming up on September, 17. Thank-Scrip-ing Day is a 24 hour event that offers much larger rebates on certain retailers. Be sure to sign up at [shopwithscrip.com](http://shopwithscrip.com) to take advantage!

We will also be having a SCRIP contest to start the school year off right! For every \$50 purchased in SCRIP from now until October 5th you will be entered into a drawing to win either a \$50 or \$100 gift card. Get in the habit of buying SCRIP right now and supercharge your tuition rebate, our SCRIP earnings for Home and School, and increase your odds of winning!

We've already earned over \$2,000 over this past summer in earnings. Please include SCRIP in your monthly budgets and help get us to our goal of \$20,000 in earnings this school year.

Please feel free to reach out to me if you have any questions at all about SCRIP, rebates, how our fundraising works or anything Home and School related. Not only am I SCRIP coordinator but I'm also the Vice President of Home and School!

Let's have a great school year!

Eric Eckdhal
